

# 2017 Scholar and Donor Reception

A Celebration of Scholarship and Philanthropy

**Muhammad Chudary**

Finance Major  
Conry Asset Management  
Scholarship

Dear Mr. Conry,

I want to say thank you for choosing me for this prestigious award. This scholarship means everything to me. As a finance major graduating in December of 2017, this scholarship will help cover not only my tuition but also books and other expenses. I am honored to receive the Conry Asset Management Scholarship.

I have recently accepted a position in Travelers' Financial Management Leadership Development Program starting in January 2018. That could not have happened without my education at Central Connecticut State University. Your support to the university and to students furthering their education is undeniably appreciated.

One day I hope to give back to the community as you have done so generously in the past and continue to do so. Thank you again for choosing me for this award.

Sincerely,

Muhammad Chudary
